

Afterschool at Dancers' Workshop

Help keep Dancers' Workshop safe, clean and fun! DW is a place for:

- Learning
- Dancing
- Creativity
- Fun

Make a plan with your child regarding afterschool at Dancers' Workshop:

- How to behave appropriately
- How to spend their time
- How to contact you

Parents will be asked to pick up children who are behaving in an unsafe, disruptive or disrespectful manner. In this case:

- You must be able to pick up your child within 15 minutes of contact from DW staff.
- You must have a safe location where your child can go if you cannot pick them up right away.

Dancers' Workshop does NOT provide:

- Supervision after school - before or after scheduled dance classes.

Dancers' Workshop expects each student to:

- Arrive on time for class and be in dress code
- Tidy up after themselves in the dressing room and restroom
- Be an example of good behavior to their peers
